## RUGGED CONSTRUCTION TURNSTILES

**CrewLane is a new innovation to simplify construction site security. Coupled with CrewSight software, you can automate access and compliance for all workers, giving you peace of mind that everyone who's on-site, should be.**

### Couple CrewLane turnstiles with the best construction access

### ▶ CrewSight Intelligent Access Control

Need more security? Control access to your jobsite with CrewSight Access Control. This system links to turnstiles which grant or restrict access to your site based on the permissions you set workers. Easily enroll, on-board, badge and grant access to any worker or visitor and ensure no one without a badge can access your site.

We can provide the software, badging, turnstiles and anything else you may require to secure your jobsite.

Make construction compliance simple with CrewSight Access Control.
